

Portable Tungsten Halogen Lighting

A range of low cost, powerful 110 Volt portable floodlights featuring single and multiple 500W Tungsten Halogen luminaires and single 1000W luminaires. All luminaires are pre-wired with Yellow PVC Arctic Grade cable (see table for lengths) c/w a 16A 110V plug. To simplify transportation, the pre-wired luminaires and the THX, THCMT and THTP Tripods are sold as separate Items and are easily bolted together on site. The 5M Portalite is ordered against a single Item Number but supplied in kit form for easy assembly on site. The Carrylite is supplied against a single Item Number. All luminaires are glass fronted, fitted with wire guards and supplied with matching 110V TH tubes.
