

LED Fixed Floodlighting

Blakley Electrics offer a comprehensive range of floodlights and accessories to lighten the darkest site. In addition to the items detailed below, we supply a wide range of specialist 110V Site Lighting products including LED anti-corrosive luminaires, the unique Flori-67/3P and Flori-67/4P plug-in lighting systems, bulkhead lights with optional guards, portable low energy task lights and festoon lighting with low energy lamps.

Part No.	Description
S060937	LED luminaire, 30W, c/w 3m 110V yellow input lead & 16A IP44 plug
S060848E	LED luminaire, 50W, IP65, yellow body & 1m 110V yellow input lead
S060849E	LED luminaire, 70W, IP65, yellow body & 1m 110V yellow input lead
S060850E	LED luminaire, 100W, IP65, yellow body & 1m 110V yellow input lead
S061071	As S060850E but with integral 110V photocell
S060935E	LED luminaire, 150W, IP65, yellow body & 1m 110V yellow input lead
S061072	As S060935E but with integral 110V photocell
S061010E	LED luminaire, 200W, IP65, yellow body & 1m 110V yellow input lead
S061073	As S061010E but with integral 110V photocell
S061055E	LED luminaire, 300W, IP65, yellow body & 1m 110V yellow input lead
S061074	As S061055E but with integral 110V photocell
S061186	LED luminaire, Ultra 450W, IP65, black body & 1m input lead, 110/230V
S060988E	LED luminaire, 100W, c/w 5m 110V yellow input lead & 16A IP44 plug
S060989E	LED luminaire, 150W, c/w 5m 110V yellow input lead & 16A IP44 plug
S061060E	LED luminaire, 200W, c/w 5m 110V yellow input lead & 16A IP44 plug
S061061E	LED luminaire, 300W, c/w 5m 110V yellow input lead & 16A IP44 plug
S060848A	LED luminaire, 50W, IP65, black body & 1m input lead, 110/230V
S060849A	LED luminaire, 70W, IP65, black body & 1m input lead, 110/230V
S060850A	LED luminaire, 100W, IP65, black body & 1m input lead, 110/230V
S060014	Magnet bracket, double, for indoor use with 30W LED floodlight
S060089	Magnet bracket, triple, for indoor use with 30W LED floodlight
S060189	Scaffold bracket, half swivel
S060618	M10 fixings kit for half swivel scaffold bracket
S060364	M12 fixings kit for half swivel scaffold bracket

Part Number S060935E
150W LED Floodlight

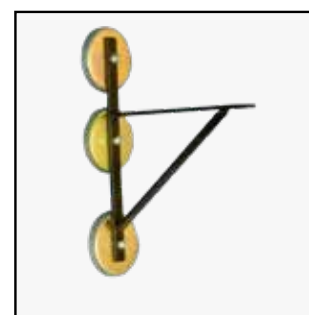

Part Number S061060E
200W LED Floodlight

Part Number S061186
Ultra 450W,
High Output Floodlight,
Suitable for 110V / 230V
operation

Scaffold Bracket
and Fixings

Magnet Bracket
for 30W Floodlight
(flat mounting surface
required and cable
needs to be supported)
